Re: U.S. v. KROMAH; 19-cr-00338 (GHW)

Your Honor,

We represent defendant Moazu Kromah in the above-referenced matter. We are currently scheduled for a status conference before the Court on November 16, 2020 at 9:00 a.m. We respectfully request that this hearing be adjourned for one week, or thereafter.

We request this adjournment because the Government has given us a November 23 deadline by which to accept or decline a plea agreement. We respectfully submit that the status conference will serve more purpose if it takes place after the deadline has passed. In addition the Government has provided additional discovery in the past few days that we need to review in order to decide if we will advise our client to accept the plea. The government and codefendant's counsel, Mr. Oksehendler, consent to this request. Counsel for both defendant and codefendant consent to the exclusion of time through the extended status conference date.

Thank you for your time and consideration.

Respectfully,

A blue horizontal line is drawn beneath the signature.
